Some say that ...

Life's milestones aren't
supposed to be counted,
they're supposed to be

C E L E B R A T E D

We would like to do both - look
back and celebrate... with you!

Let us take you on a journey
through time, back to our hopeful
- and youthful - beginnings 40
years ago!

Join us for well-known favourites
and modern classics that we learnt
to love along the way, and enjoy
dances by and for members of the
Freiburg group.

Be prepared for surprises and re-
encounters and heaps of "joie de
vivre"!

We are happy to welcome you to our
Best-Ager Anniversary!
